Retired Bakersfield Banker Dies Here

John Russell Withrow, retired Bakersfield banker who had lived for the past three months with his daughter, Mrs. Carl Stoner, died at 5 p.m. Monday at the Stoner residence, 845 Edgewood Rd., Redwood City. He had been in ill health for the past two years.

Mr. Withrow, who was 74, had lived in Bakersfield for 40 years. He retired five years ago.

Besides his daughter, Mr. Withrow leaves his wife, Mrs. Ella Withrow; another daughter, Miss Alta Withrow of Bakersfield; a sister, Mrs. William F. Mason of Los Gatos, and a brother, Washington Withrow, also of Los Gatos. He was a native of London, O. He belonged to the Masonic lodges in Bakersfield.

Says Manager Sought To Gain County Control

In a blistering statement accusing County Executive Frederick Peterson of attempting to set up a one-man government in San Mateo County, W. H. Morrissey, chairman of Peterson's charter study committee, quit Wednesday declaring the executive had tried to dictate the type of amendments he wanted the committee to propose by attempting to pack its membership.

Morrissey, a staunch Peterson supporter in the August, 1938, campaign, broke sharply with the county executive over charter issues which he outlined in a letter to his former friend. Crux of the Morrissey-Peterson dispute was the appointment by Peterson, without Morrissey's knowledge, of two new members of the charter committee: Dr. A. E. O'Neill and Richard E. Savage, both of Redwood City.

CALLS SPADE A SPADE
"The committee had reached a point in its study where it was about to prepare drafts of such amendments as deemed proper, and I so advised you," said Morrissey's letter.

"Out of a clear sky, you, on the late afternoon of the 11th of this month, two hours before a scheduled meeting of the committee, appointed two new members of the Charter Study Committee."

"I can only interpret these late appointments as proof of your determination to pack this committee, in order to dictate the type of amendments which you wish made to the charter."

"This convinces me of the futility of any further service on this committee, and leaves no other course open to me but to resign as a member of the Charter Study Committee, which I now do."

DISCUSSIONS COMPLETED
Peterson appointed the committee Jan. 31, and although its work has been cloaked in secrecy, Morrissey declared that the preliminary discussions had been completed.

It was apparent from Morrissey's letter, however, that the plans of the committee were not in accord with the executive's wishes.

The letter declared the committee had spent nine months

PEOPLE GIVEN CHANCE TO RECTIFY SITUATION REGARDING CHARTER

(EDITORIAL)

Charges made by Atty. William H. Morrissey that County Executive Frederick Peterson had attempted to "pack" the charter study committee are serious and merit thorough consideration by the voting public of this county.

Mr. Morrissey, who resigned as chairman of the charter study committee appointed by the county executive, speaks with authority because during the 1938 elections, he was a staunch supporter of Mr. Peterson.

The situation must have been bad, therefore, to prompt him to make such bitter charges against his former friend.

Particularly significant was Mr. Morrissey's accusation that the county executive had taken the position that he should have the power to appoint all boards and commissions. The Redwood City attorney phrased this charge in the blunt words that Mr. Peterson was seeking to set up a "one-man government," which would be a virtual dictatorship.

It should be remembered, too, that Mr. Morrissey's long career in public

life has been marked by disinterested service, and that he is beyond reproach for credibility and sincerity.

The existence is overwhelming, therefore, that the county executive has been working in "behind the scenes" fashion to get more power for himself.

It is fortunate that the disclosure of Mr. Peterson's motive and his desire for more power comes at a time when the public will have an opportunity to thwart any such dictatorial possibility by voting "Yes" Nov. 7 on the proposed amendment that will eliminate the executive's office after termination of his present term in 1943.

The amendment will assure continued democratic handling of county governmental matters, without any concentration of power in the hands of one man. It will eliminate the present split authority that bears in it the seeds of inevitable conflict. And it will do away with an impossible situation leading to interminable disputes that have made this county's politics the laughing stock of the state.

Three Charges Listed by Funk In Action Here

W. A. Funk, Friendly Acres property owner, taxpayer, and auto court operator, has turned to the superior court in an effort to nullify the special election of Sept. 5 by which the Friendly Acres subdivision was annexed to Redwood City.

Judge Maxwell McNutt issued an order for a writ of review, commanding city officials to produce at 10 a.m., Oct. 30, certified copies of all proceedings in connection with the election to determine whether or not the city council had jurisdiction.

Funk claims the city resorted to subterfuge, that it had no jurisdiction, and that it violated the 1913 state law under which it proceeded.

The annexation election carried by a vote of 47 to 33. Specifically, Funk, represented by Attys. Ephraim Adams and Leonard Avilla, alleges that the territory purportedly annexed consisted not of one parcel but of three: (1) a 117-acre pasture and airplane landing field known as the Michael F. O'Day property, (2) two acres belonging to Redwood City on which water tanks have been erected, and (3) the 230-acre Friendly Acres subdivision with its 330 inhabitants.

The first two parcels, he alleges, were uninhabited, and were incorporated in the annexation election as subterfuge to enable the city to extend its boundaries to include contiguous territory.

The 1913 act under which the city proceeded does not authorize "the annexation thereunder of an uninhabited strip or piece of property used as a cord or strip to reach other territory," the petition for the writ states. It declares that Friendly Acres is not in fact contiguous to Redwood City.

Funk claims that an ordinance passed by the council Sept. 18 declaring the territory in question to have been annexed is void. He asks specifically that the resolution of intention calling the election be annulled, and for such other relief as the court deems appropriate.

Needy To Get Food Baskets

Redwood City's YMCA will be active again this year in the distribution of food to the needy at Christmas time.

Norbert (Bud) Lambert, leader of the Progress Junior Hi-Y Club, announced here that his organization will have charge of the distribution of baskets, in co-operation with other clubs sponsored by the Young Men's Christian Association.

Donations of both food and clothing will be sought. The Y will co-operate with other organizations, including Red Cross and Social Service, to avoid duplication. Names of needy will be obtained from the latter organization. Additional names of deserving people are desired, and

should be given to Lambert at his office (telephone Redwood 126). Only residents of Redwood City proper can be cared for by his group, other districts, including North Fair Oaks, coming under jurisdiction of other YMCA's, he said.

A depot where the food will be packed will be established in the vacant building at 2021 Broadway adjacent to his realty and insurance office, Lambert said.

Some material for the baskets will be obtained from the Hal-Jensen Party at McKinley School, admission to which will be a can of fruit or vegetables.

One "Apartment for Rent" want ad is worth 100 window cards.

New Heater Line Shown by R. C. Firm

Acquisition of the Coleman line of oil heaters was announced this week by J. F. Blane, manager of Hull Bros. Inc., Main St. at Broadway, Redwood City.

Outstanding feature of the new 1940 Coleman heaters is the change in construction which has eliminated one-third of the draft formerly needed for proper heating.

Other features include the basket weave grill which allows heat radiation and circulation and a new easy type manual control. Four Coleman 1940 models are now exhibited at the store.

thing the people do not want. The attorney said he called to Peterson's attention that the people wanted him to work with the board of supervisors, referring him to a section of the charter giving the board all powers and duties vested in and delegated to them by the constitution, general laws, and the charter; and to another section (Sec. 1 Art. V) making the executive "responsible to the board of supervisors for the proper and efficient administration of such affairs of the county as are or hereafter may be placed in his charge."

Morrissey contended that these two fundamental principles of the charter should not be changed.

Relief Home Inmates Thrilled at Fair

A thrill they won't forget soon was given 60 inmates, including six women, of the San Mateo County Relief Home Saturday when they were taken to the Golden Gate International Exposition through efforts of the Central Labor Council and the Building Trades Council of San Mateo County.

Supt. B. G. Kost, a nurse and an orderly accompanied the group, which made a tour of Treasure Island on the elephant trains, viewed Cavalcade, enjoyed a hot luncheon, and viewed the fair before returning home in the late afternoon. Committee chairmen planning the event were A. H. Randall of the labor council and Jack Crown of the building trades council.

NEWS MENLO PARK

SHORTTRIDGE APPOINTMENT
MENLO PARK, Oct. 20—The appointment of Samuel M. Shortridge by Attorney General Murphy to be attorney for the Central Valley Project occasioned surprise among the politicians in as much as Mr. Shortridge is an avowed Republican. Many Democratic lawyers sought the position which pays \$7500 a year.

The senator is a staunch friend of the attorney general and the latter, knowing the splendid ability of Shortridge as a lawyer, selected him to do the work. Mr. Shortridge received his appointment by wire from Washington last week.

During the Harrison administration, when Senator Stanford was a power in the Senate, party lines were cast aside when Maj. J. L. Rathbone, a Democrat, was made consul general to Paris. Stanford was Rathbone's friend and going to President Harrison, requested the appointment. It was made and confirmed by a Republican Senate. Rathbone was a graduate of West Point and after his graduation was stationed at Washington. The major was with President Lincoln the night he was assassinated.

Plans and specifications are being prepared for new parochial residence at the Church of the Nativity. The building will be a substantial modern structure of Spanish type architecture. Work is to be started very soon. The old building was erected in the latter seventies and the first occupant was the Rev. Father Spreckels.

Local hunters who have been anxiously awaiting the opening of the duck season will seek the marshes on Sunday to endeavor to bag the limit of 10. It is reported that the flight to the lowlands has been good and that the hunters will have splendid sport. The season is open for only six weeks.

John W. Morey, the well-known contractor and civic leader, is confined to his home with a severe illness. His friends hope to see him around again shortly.

W. H. Weeden, who is building the new gymnasium at St. Joseph's School, met with a painful accident last week. A saw he was using cut a deep gash in his leg. He was laid up for several days. The building is to be completed in a month and will be a model athletic structure.

The Native Daughters will give a card party at the Central School on Nov. 16. The following night the parlor will enjoy a visit from the state president of the Past President Association, Mattie Stein. A banquet will follow the routine business of the meeting.

The bond election to take place on Nov. 7 to raise \$10,000 for the

'THE WOMEN' AT SEQUOIA

Rosalind Russell and Norma Shearer in "The Women"

Don't be surprised if the girls sport the new "Jungle Red" color on their nails after seeing Clare Boothe's devastating comedy, "The Women," on the Fox Sequoia screen Sunday, Monday and Tuesday. Rosalind Russell introduces it to Norma Shearer in the picture, and what with Miss Russell portraying a vicious gossip who destroys most of her friends' reputations, the new nail color is appropriately named.

recreation park is finding many supporters. The sum is to be matched by the government for \$30,000. The combined sum will make a substantial playground for the people of Menlo Park.

The many friends of Miss Adrian Ward will be pleased to learn that she is recovering from a recent serious illness.

A program was presented at Veterans Hall, Redwood City, Saturday night at the annual Redwood City Post 105, American Legion, dinner. Tom Kane acted as master of ceremonies with Isabelle Weeden Lindquist assisting him.

Mrs. Charles E. Thomas, her daughter, Mrs. Joseph Branco, and son, Charles E. Thomas Jr., were guests at the home of their relatives, Mr. and Mrs. W. H. Weeden last week. They returned to their home in Monterey Saturday.

San Mateo Reports Outbreak of Mumps

An outbreak of mumps was reported in San Mateo in the county health department's morbidity report, released here. Fifteen new cases were discovered in San Mateo last week, it was reported.

Three cases of poliomyelitis were reported in Redwood City. The county seat also reported one case of mumps, one of tuberculosis, one of chickenpox and one of whooping cough.

LEGAL

KINCAID & FITZPATRICK
NOTICE OF TIME AND PLACE FOR HEARING PETITION FOR ORDER AUTHORIZING EXECUTOR TO BORROW MONEY AND EXECUTE PROMISSORY NOTE AND DEED OF TRUST.
No. 8303.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of HATTIE GEISLER, Deceased. Notice is hereby given that Monday, the 6th day of November, 1939, at the hour of ten o'clock a.m. of that day, and the Court Room of said above-entitled Court, Department No. 1 thereof, in the County Court House, in Redwood City, in the County of San Mateo, State of California, have been fixed and appointed as the time and place for hearing the petition of Paul Robert Geisler, the executor of the last Will and Testament of Hattie Geisler, deceased, for an order authorizing him as such executor to borrow the sum of \$500.00 and to execute a promissory note and deed of trust, and all persons interested in the estate of said decedent are hereby notified and directed to appear at the time and place above-mentioned and show cause, if any they have, why the order prayed for should not be made.

The real property upon which said deed of trust is to be executed is described as follows:

All that certain real property situated in the County of San Mateo, State of California, described as follows, to-wit:

West one-half, front and rear measurements, of Lot numbered Six (6), Block numbered Eleven (11), as the same is delineated

'Hal' Burdick Appears Again

As it did last year, the Young Men's Christian Association will be host again this Oct. 31 at a Halloween party at McKinley School.

And as happened last year, "Hal" Burdick of "Night Editor" radio fame, will again speak.

This was announced here by John E. Gardner, who has been appointed by the YMCA Committee of Management to have charge of the program.

Starting at 7 o'clock, the entertainment not only will include the spinning of some of his "yarns" by Burdick, a Redwood City resident, but will include the showing of some motion pictures, the presentation of some stunts by YMCA clubs, singing and other features.

Admission to the event will be a can of fruit or vegetables which will be used by the YMCA for distribution in its Christmas baskets which are given to needy persons.

Campaign Features Week's Suggestion

Human characters, typical of the average home-loving family, add special interest to a new series of timely advertisements now appearing in the Redwood City Tribune for Snow Flake crackers.

Carefully selected types from a great list of enthusiastic users of the product show mothers, fathers and happy children enjoying the many tasty combinations of Snow Flakes with soups, salads, appetizers, cheese, snacks and spreads.

Each headline suggests a situation that arises constantly in the meal planning activities of a busy home-maker. In every message one paragraph is devoted to a timely "Suggestion of the Week." This is a helpful feature, particularly now when Fall appetites are keen and holiday festivities are being planned.

Throughout the campaign local grocers are making special displays of Snow Flakes in their stores.

and so designated upon that certain map entitled "Oak Knoll Manor, Redwood City, San Mateo Co. Cal." filed in the office of the County Recorder of San Mateo County, State of California, on the 10th day of May, 1916, in Book 10 of Maps, at pages 4 to 11, inclusive.

Many Veterans Due at Fete

Shortridge Selected Valley Project Aide

Under appointment by Democratic U. S. Atty. Gen. Frank Murphy, Republican Samuel M. Shortridge of Menlo Park, former United States senator, has taken up his duties as special counsel for the huge Central Valleys Project, a job which it is estimated will pay the San Mateo County resident \$7500 a year.

To the surprise of Democrats, Shortridge was appointed to the lucrative post and took his oath of office before U. S. Commr. Ernest E. Williams at San Francisco last week. A special counsel under the department of justice, the former senator has been assigned to the interior department to handle litigation for Chief Norman Littell of the land

Plum Tree Blooms, Like Cherry, Pear

Like the cherry tree of Angelo Scilini at 209 Marshall St., Redwood City, and a pear tree of M. J. Riese, Berkeley, both of which have been publicized because they are now in bloom, a 6-year-old Spanish plum tree at the home of Howard A. Linderhill, Alameda de las Pulgas at Valparaiso Ave., Menlo Park, has "lots of blooms" despite the fact it bloomed last Spring also, he reported today.

division. It is expected he also will have charge of litigation in connection with the federal government's activities in the construction of the Central Valleys Project.

-Armistice Day- Parade Entries Are Coming In

MENLO PARK, Oct. 19.—Legionnaires from many communities of northern California will converge on Menlo Park, site of Camp Fremont of World War days, to participate in the Camp Fremont Memorial which will be staged by this city on Armistice Day.

Entries for the parade, to start at 11:30 a. m., are coming in daily and give every promise of a lengthy and colorful pageant. Numerous awards have been arranged for parade participants and civic and fraternal organizations are vying with the veteran bodies to make the affair a conspicuous success.

TWO MAIN SPEAKERS
Memorial ceremonies at Camp Fremont Memorial Park will include addresses by ex-United States Senator Samuel M. Shortridge and by John A. Sinclair, assistant judge advocate, department of California, American Legion. In addition there will be musical numbers and the impressive rite of advancing the colors by the American Legion.

At the conclusion of this portion of the program the participants will be entertained at a barbecue at Kuck's picnic grounds, a dance and entertainment. In the evening, as a fitting finale, there will be a ball.

TO MARK AREAS
Another detail of interest, especially to veterans, will be the marking of the areas in Menlo Park where various units were stationed during the days of Camp Fremont. A headquarters will be established where information as to the layout of the camp will be available. There is also a move on foot to arrange an exhibit of mementos of the days of '17.

The streets and buildings of Menlo Park are already being dressed in the national colors. By Armistice Day the city will present a gay and patriotic spectacle.

Any Legion post, veteran organization or other group wishing to participate in Menlo Park's Camp Fremont Memorial is requested to communicate at once with either Frank Ellis, Post Office Box 275, or L. L. Johnston, Box 725, Menlo Park.

LEGAL
CLAIM FOR TRADE MARK
TO ALL WHOM IT MAY CONCERN:

Be it known that J. C. GRIFFITHS, JR., of Middle Avenue and El Camino Real, Menlo Park, State of California, being engaged in the business of wholesaling and retailing petroleum products, adopted for his use a trade mark, of which the following is a description:

This trade mark consists of the word "WURL-WIN."

It has generally been arranged as shown in the accompanying facsimile:

The class of merchandise and the particular goods upon which the trade mark is used is petroleum products.

The trade mark is applied or affixed to the goods or containers thereof by signs affixed to containers.

J. C. GRIFFITHS, JR.,
Owner—Menlo Oil Co.
VERIFICATION
STATE OF CALIFORNIA

County of Santa Clara } ss.
J. C. GRIFFITHS, JR., being duly sworn, deposes and says that he is located and doing business at Middle Avenue and El Camino Real, Menlo Park, State of California. That said J. C. GRIFFITHS, JR., is the exclusive owner of the TRADE MARK described in the specification accompanying this affidavit, and he petitions that the said Trade Mark may be filed in the office of the Secretary of State of the State of California, in accordance with the law in such cases made and provided.

J. C. GRIFFITHS, JR.,
Owner—Menlo Oil Co.
Subscribed and sworn to before me this 28th day of September, 1939.

(SEAL)
FRANK LEE CRIST,
Notary Public in and for the said County of Santa Clara, State of California.
Published in the Peninsula Beacon Oct. 6, 13, 20, 1939.

Reilly Appointed Officer of Eagles

Commissioner George R. Reilly, member of the State Board of Equalization for this district, has just received his appointment to the office of deputy grand president of the Fraternal Order of Eagles. His district will comprise San Francisco, Redwood City, San Mateo, South San Francisco, Burlingame, Colma Vista Grande, and Golden Gate Aeries.

Commissioner Reilly received his commission from Grand Worthy President John A. Abel, who attested his appointment and congratulated the new deputy grand president for his activities on behalf of the Fraternal Order of Eagles.

Studies by federal agricultural experts show that consumers are paying more than pre-war prices for their food and farmers are getting less.

he did so to show appreciation of the efforts of the Eagles along the line of promoting "sound old age pension, and other humanitarian measures affecting the welfare and social standing of citizens of our State."

Grid Fan Is Fined \$25 for Speeding

Rodney Roy Roberts, Dos Palos, was fined \$25 in justice court yesterday by Judge Edward I. McAuliffe on a State Highway Patrol charge of speeding 75 miles an hour on Bayshore Hwy. Roberts, 39-year-old railroad agent, told the arresting officer he had been attending a football game in San Francisco and was hurrying home to get some sleep.

John F. Russo, San Francisco, was fined \$10 for speeding 65 miles an hour on the Bayshore. Spencer Clarke, 28, San Francisco, accused of reckless driving following an accident on the Mt. Home Rd., was placed on probation for six months.

Bermuda is headquarters for Great Britain's west Atlantic naval squadron.

CONTRACT APPROVED TO BUY FIELD OVER 5-YEAR PERIOD

was explained. It will be repaid by the city over a 5-year period, at \$2300 a year, under a system whereby the city leases and secures an option on the entire plot and buys a portion each year as it makes a payment. In this manner, possession can be had immediately.

As much as five acres of the property may be sold for industrial development, twenty acres being desired for the recreation center, funds for development of which are now being raised by private means.

Tentative approval to a contract whereby the City of Redwood City will purchase the portion of the O'Dea Estate desired for a recreation center was given Monday by the city council, which decided to meet again next Monday evening in special session to ratify the agreement.

Under its terms, the city will purchase 25 acres of the property, actually appraised at \$13,500, for \$11,500. The money will be advanced by the First National Bank (\$6500) and by five unnamed individuals (\$5000), it

Museum Plan Wins Approval Of Councilmen

The proposal of the Redwood City Junior Chamber of Commerce that the City of Redwood City accept as a gift and agree to find a permanent location for the extensive collection of flora and fauna accumulated by Chase Littlejohn over a period of nearly 80 years met enthusiastic approval of individual councilmen Monday night.

As a result, a committee composed of Councilmen Harold F. Anderson and Evans A. Fletcher and City Manager C. L. Dimmitt was appointed by Mayor Louis C. Christensen to determine cost of procuring cases suitable for displaying the stuffed birds and animals, butterflies, shells, eggs and other articles now located at Mr. Littlejohn's home at 323 East Brewster Ave. The committee will report back to the council at an early date.

The action came after a personal appearance before the council of the collector himself, who was the first white boy born in Redwood City. He has lived here ever since with the exception of the periods when he has traveled to collect rare specimens.

WANTS THEM HERE

He explained that he desired that the valuable collection, sought by Stanford University, University of California and San Mateo Junior College, stay in Redwood City.

"Here's where they belong—where I was born and raised," he explained. Answering questions, the venerable citizen, sprightly despite his 84 years, said that the articles in the collection, gathered not only in California but from Mexico to Alaska and even on the Atlantic seaboard, would be of aid to high school and other students in their studies of science. He said he would not only help classify the items in the collection but would "keep adding to it as long as I live."

Junior Chamber of Commerce members proposed the second floor of the new library, designed for book stacks but not likely to be used for some years, as the logical place to house the collection.

LIBRARY FAVORABLE

F. Edmund O'Connell, past president of the chamber, said that individual members of the board appeared willing to permit the room to be used for the purpose if the collection is accepted by the city. Dr. Rollo O. La Berge and Paul E. Lowe, also members of the chamber, likewise urged the council to take the gift.

On suggestion of Councilman Fletcher, a vote of appreciation was given to Mr. Littlejohn for his offer, and on suggestion of Councilman Paul A. McCarthy he was invited to sit with the council for the remainder of the meeting.

Mr. Littlejohn one time served on the council himself, as well as on the local elementary school board.

It was on motion of Fletcher, seconded by Anderson, that Mayor Christensen appointed the committee to study costs of taking the collection. Mr. Littlejohn agreeing to await the committee's report before giving the collection to any one else.

Red Cross Warns Home Is More Dangerous Than Highway, Urges Check for Hazards

American Red Cross supplies householders and farmers with a check list of accident hazards in fight against large annual death toll. Hazards shown: top, left, mowers, harrows and other farm machinery, left in gear when making repairs, may result in grave injury to farmer. Top right: pointed shears in the hands of children are as dangerous as matches. Below right: most home accidents are due to falls, and scatter rugs on polished floors should be anchored by use of non-skid lining as shown.

HOME mishaps kill or injure many more persons than motor vehicles, yet the average householder faces traffic with misgiving and relaxes at home. Each year hazards injure more than 100,000 persons engaged in farm work, yet the farmer fails to take safety precautions which the factory worker adopts as a matter of course.

Together home and farm work accidents last year killed 35,400 adults and children and injured the staggering number of 4,750,000 persons. To combat this annual accident scourge the American Red Cross launched a nation-wide program in 1935 to acquaint householders and farm workers with the hazards coincident with their work and home life. This year more than 1900 Red Cross chapters are sponsoring this task in the communities they serve.

On October 23 the annual Red Cross campaign will begin through-

out the nation to assist householders to discover and eliminate hazards liable to cause accidents in the home. Members of the American Junior Red Cross and their schoolmates will distribute check lists to parents and assist in examining their own homes and in removing hazards. This Red Cross warning reaches more than 9,000,000 homes and farms each year.

The Red Cross stresses the need of removing hazards which may cause falls, as this type of accident resulted in more than half of last year's home accident fatalities. Among chief causes are poorly lighted stairs, loose railings, small rugs improperly anchored and children's toys left about. Burns and explosions caused the next heaviest loss of life, 5,300 being killed in 1938 by this type of accident, and the Red Cross self-check list points to the danger of scalding liquids in pots and pans left near the edge of

the stove, matches left within reach of children, and fireplaces unguarded by proper screening. Other main causes of accidental death are mechanical suffocation, poison gases and firearms, Red Cross officials said.

Accident prevention is a part of the continuing Red Cross program directed against illness, death and disaster. All Red Cross services are supported by the people who join at the time of the annual Roll Call, this year from November 11-20.

'LADY OF THE TROPICS' AT REDWOOD

Teamed with Robert Taylor in a sensuous tale of the exotic East, Hedy Lamarr, most glamorous and most talked about motion picture personality since the inception of the talkies, comes to the Redwood Theater Sunday Oct. 22. Sharing the program with thrills is the J. Edgar Hoover story, "Undercover Doctor."

FIRE IN COUNTY LIBRARY
The new county library at Middlefield Rd. and Theater St., Redwood City, was endangered shortly on Wednesday when fire broke out in supplies stored in a closet. Actual loss was nominal, but smoke drove patrons from the building. An impromptu bucket brigade organized by Librarian Clara Dills and her assistants extinguished the flames before the city fire trucks arrived. Firemen "mopped up."

MOTORIST LOSES WALLET WITH \$2 TO HITCH HIKER

A novel highway holdup racket was disclosed here in the report of Donald W. Felch, 1015 Cherry St., San Carlos, that he was robbed of \$2 on Bayshore Hwy. Saturday night. Felch notified the California Highway Patrol that he picked up a hitch-hiker on the highway near South San Francisco. At a point near the San Bruno Ave. intersection, the hitch-hiker stuck a revolver in his ribs and commanded him to stop the car.

The robber, described as about 35 years of age, then took Felch's wallet and the keys to his car. A black sedan drove up, the robber entered it and drove off, throwing Felch's car keys to him with a warning not to give chase.

Felch told officers he believed the second car, a black Chevrolet sedan with no license plates, contained a confederate who had trailed the Felch automobile from the point where he picked up the hitch-hiker.

Aid Is Offered Deaf Through Acousticon

Recent arrangements have been made with Paul R. Leigh, O. D., 12 California St., whereby upon periodic occasions special demonstrations will be held for those with a hearing loss, to give them hope for better hearing in the future, through the use of the Acousticon, the standard in hearing aids throughout the world.

"Poor hearing knows but one master—perfectly fitted hearing aids—and only they can keep you from paying the toll of straining to hear. Properly cared for eyes and ears will serve you throughout your lifetime, wherein neglected ones will add nothing to your pleasure throughout those years ahead. It is a pleasure to see everything possible done to help the afflicted, in whatever capacity it may be," says Dr. Leigh.

SCHOOL EMPLOYEE INJURED

ATHERTON, Oct. 18—Arthur Benson, 43, Menlo School employee, was in Palo Alto Hospital today with a fractured left wrist, cuts and bruises incurred last night at 9:30 when he was struck by the car of James K. Geddes, 25, San Francisco, as he walked along El Camino Real here.

GREYHOUND WINS SAFETY CONTEST

L. to R.: Herb Horzenberg, Lloyd Sapp, ex-Senator Walter McGovern, Dick Gallagher and Commander Scott

Bus Team Scores High In Traffic Safety Quiz

How far from a railroad crossing should you stop your car when there is an approaching train? Under what three conditions would a car coming from your left have the right of way? These and similar traffic problems, rules and regulations were fired at thirty-two teams of Exposition Exhibitors by Herb Horzenberg of the California Motor Vehicle Department, sponsor of a "Traffic Safety Quiz" on Treasure Island.

After three months of elimination rounds, four teams in the finals met in the California Building at the Exposition before a radio microphone to decide the winner. Out of a possible 900 score, the Pacific Greyhound Team came out on top with a score of 866.

Commander A. W. Scott, radio commentator and captain of the Greyhound Team, accepted the "Leland Cutler" trophy from ex-Senator Walter McGovern, San Francisco Police Commissioner. Supporting Commander Scott on the Greyhound team were Dick Gallagher, traffic representative; and Lloyd Sapp, bus driver.

Vessel Is Partially Submerged Off Coast

Off the San Mateo County coast Sunday, 25 miles southwest of the Golden Gate, the 85-foot purse seiner Oceana sprang a leak and became partially submerged, the Coast Guard reported today.

The patrol boat Ariadne was sent to aid the stricken craft. It found the crew had been taken off by another seiner, the Jackie Sue.

Later a Crowley launch took the boat in tow and started for San Francisco. The Ariadne reported the Oceana's bow was submerged and her stern was barely above water.

Supply of Hetchy Water Criticized By M. P. Engineer

Charges that San Francisco water service extended to southern San Mateo County communities is "seriously at fault" were lodged with the board of supervisors here by L. H. Cook, Menlo Park engineer in charge of the Willow Road Water District. The board referred the charges to Mayor Angelo Rossi.

Cook, in a letter to the board, declared that soft mountain water from Hetchy was slightly acid, corroding pipes and resulting in what water men commonly call "red water," i.e. water containing red rust. The problem constitutes a nuisance rather than a health menace, according to Cook.

The situation can be corrected by mixing Hetchy water with the East Bay supplies owned by San Francisco, Cook said. San Francisco does not suffer with the problem because Hetchy water is mixed with alkaline supplies in the Spring Valley Lakes, he stated.

He reported scattered complaints from Redwood City, many from Atherton and Menlo Park, some in Palo Alto a week ago, periodical complaints from Rav-

enswood, "dirty water" complaints from Ravenswood last week, and "red water" at three periods in Willow Road District since Sept. 1.

A claim of \$68 from the United States Public Health Service for costs of printing the recent survey of county health services was referred to the county executive.

At the request of County Engineer M. A. Grant, the board appointed Frank Neary, head of the real estate department of the Hibernia Savings & Loan Co., to serve as director of the San Mateo County Soil Conservation District, replacing Harry C. Christen, resigned.

Request of Fire Warden Bert L. Werder for funds to reconstruct his quarters on Middlefield Rd. to allow additional office space was referred to the county executive and to the building committee of the board.

Request of the county manager for \$300 for gardeners and \$300 for carpenters for services at the courthouse was denied. Supervisor Fred E. Beer declared the controller's report showed a balance of \$1700 in the courthouse and grounds fund Oct. 1.

Frank A. DePatta, chairman of the Redwood City Clean-Up Campaign Committee, urged that something be done to improve the appearance of the courthouse dome. He contended it was dingy and dull, and entirely out of keeping with the appearance of the new annex.

"We recognize the need," said Supervisor John A. Lynch, "but we're still looking to see where the money will come from."

Chairman H. H. Smith volunteered the information that the board was making a constant study of the building problem, and expected to propose a solution soon.

On Lynch's recommendation, the board commended Controller Thomas J. Kane for the excellence of his monthly report, released today. The board adjourned to Oct. 31.

GOOD VALUE RECEIVED
CASPER, Wyo. (AP)—Mrs. Walter Houston thinks she got her money's worth out of a dozen eggs she purchased recently. Each egg in the dozen had a double yolk.

P. A. Mayor Elected To Head City League

Named vice president was Mayor James E. Cooper of Men-

Salesmanager For City Slated

Plans to employ Charles Holt, well-known Redwood City real estate developer, to take charge of the sale of lots repossessed by the city because of tax delinquencies or bond defaults were disclosed at the city council meeting Monday when tentative approval was given to an agreement between him and the council.

Holt would work on a commission basis entirely, receiving 12½ per cent for lots he sells alone and a 2½ per cent commission on lots sold through other realtors, who would receive 10 per cent. Another 2½ per cent of the

sales price would be put into a fund to advertise the properties. A contract to run until the end of the fiscal year—June 30, 1940—is to be drawn and presented to the council for approval at a special meeting next Monday. The plan to employ Holt as salesmanager for the lots was reported to meet approval of local realty dealers.

A ship of 1000 tons can carry a cargo equal to that of a caravan of 5000 camels.

Employee of Ranch At Woodside Dies

George Dustman, 65, an employee of the Why Worry Farm at Woodside, died Tuesday at a San Mateo hospital after a long illness. He is survived by his son, Elmer Dustman.
